Installation:

- I do not need to have any inside wire installed.
- I will arrange for installation of inside wire, either by myself or an outside vendor.
- I want NTCNet to install my inside wire. How many jacks required? _____

Maintenance

You may maintain the wire yourself or elect to have our company maintain it for you. If you elect to have NTCNet maintain your wire, you will be billed a monthly charge of **\$1.74** per month per Residential access line and **\$2.61** per month per Business access line.

This option can be discontinued at any time and the rate is subject to change.

- YES, place me under your maintenance plan
- NO, I will maintain my own inside wire

*****BURIED CABLE*****

Buried copper cable is always owned by the customer. NTCNet assumes no responsibility for buried copper cable and maintenance is not available on buried cable.

NTCNet offers a way that makes it easy to pay your monthly bill(s). NTCNet's Electronic Pay Program allows you to pay your monthly NTCNet bills from your credit card (MC, Visa, Discover or AmEx), checking account, or savings account. Your payments will be automatically deducted on the 10th of the month, or the next business day thereafter if the 10th falls on a weekend or holiday. If you are interested in the program, you can either use our website or ask a Customer Representative for the form.

.....

INVOICES ARE RENDERED THE FIRST OF EACH MONTH AND ARE DUE BY THE 23RD OF EACH MONTH; AFTER THAT DATE, UNPAID ACCOUNTS ARE CONSIDERED DELINQUENT. APPLICANTS ARE SUBJECT TO CREDIT APPROVAL AND WILL BE NOTIFIED IF A DEPOSIT IS REQUIRED.
